ABOUT US

Room To Imagine is an Abstract Art studio specialising in Acrylic Pour and Resin Pour Art workshops. It is an art sanctuary where we encourage curiosity, creativity and conversations. We love to see strangers come together in our space to learn something new, experiment and create, meet new people, and leave with a smile on their faces.

Beyond just teaching art, we are about changing people's perspectives and creating unforgettable art experiences. So join us now on an adventure to discover the artistic side that you've never thought you had.
